Our Washington

Had it not been today and publicity this year that we was putting over a good job.

However, we think George Washington would be rattl... proud of many living Americans were he able to come back now. The nation's true ideals and leadership is being manifest... We're digging in—undeterred builders. Washington would have us think way—he would be an ardent nationalist—or even fas...cist, were he living today.

HOW I GOT THAT DRESS

I needed a house dress; but there was
no money to invest
For my clothing budget plainly
showed it wasn't best.
So I sat down and wondered what
course to pursue,
When, as usual, Club work proved
the friend even true,

For why study clothing six months
the year through
And not know in regard to garments
the smart thing to do,
For we had learned how to buy, how
to cut and how to sew
As well as to mend and remodel from
our heel to toe.

So Oh! for an old garment to re-
model and house dress design
As quick as a flash popped into my
mind,
So I hied to the attic and searched
everything through,
And was filled with delight when I
saw what I could do,

A pongee ensemble on the rack hung
there
With abundance of material and in
good repair
Quickly it was ripped and washed
nice and clean,
And pressed as smooth as you ever
have seen.

Then a bit of study and carefully
piecing of parts
And the pattern was fitted from

seam to darts
The sewing machine hummed a noisy
little tune,
And Lo! the dress was getting start-
ed soon.

Bias fold was need for neck and
waist
To finish the dress in real good taste,
The sewing bag yielded just the
scraps for this need
And three buttons I found with re-
markable speed,

No cost to my clothing budget do I
have to add
As buttons, thread, trimming—all of
these I had,
Yet from a jacket ensemble and 1930
model too
Had come a one-piece house dress
all white and blue.

It is a simple dress, but will do for
these days
When we have to save money in va-
rious ways.
So three cheers for Miss Taylor, of
State Clothing fame—
She taught us to play this money-
saving game,

By—Mrs. P. J. FLIPPEN.

—Make This 25c Test—

Don't wake up for bladder relief! Physic the bladder as you would the bowels. Drive out impurities and excessive acids which cause the irritation resulting in wakeful nights, leg pains, backache, burning and frequent desire. BUKETS, the bladder physic, made from buchu, juniper oil, etc., works effectively on the bladder as castor oil on the bowels. Get a regular 25c box and after four days if not relieved of getting up nights your druggist will return your money. Make this test. You are bound to feel better after this cleaning and you get your regular sleep.

Backache bother you

A nagging backache, with bladder irregularities and a tired, nervous, depressed feeling may warn of some disordered kidney or bladder condition. Users everywhere rely on Doan's Pills. Praised for more than 50 years by grateful users the country over. Sold by all druggists.

DOAN'S PILLS

A DIURETIC for the KIDNEYS

Nagging Pains are WARNING SIGNALS

TEMPORARY pain relief remedies may save you much suffering at the moment, but putting a mask over a warning signal does not clear up the condition it was telling you to avoid.

When periodic pains, due to a weak, run-down condition, distress you, treatment for the cause of the trouble should be started without delay.

Take Cardui, to build up against the usual symptoms of ordinary monthly ailments. It has been in use for over 50 years. So many women praise CARDUI, it must be good today. Sold at drug stores.

BLADDER TROUBLE

If your bladder is irritated, either because your urine is too acid or it contains excess acidity, just try 5 drops of MARELL OIL of PEPPERMINT. This fine, old preparation has been used for this purpose for 250 years. That its popularity continues is the best proof that it works. But be sure you get Oil of Peppermint. Ask for and be sure you get MARELL. Adv.

Diet Didn't Do This!

HAPPY little girl, just bursting with pep, and she has never tasted a "tonic!"

Every child's stomach, liver, and bowels need stimulating at times, but give children something you know all about.

Follow the advice of that famous family physician who gave the world Syrup Pepsin. *Stimulate the body's vital organs.* Dr. Caldwell's prescription of pure pepsin, active senna, and fresh herbs is a mild stimulant that keeps the system from getting sluggish.

If your youngsters don't do well at school, don't play as hard or eat as well as other children do, begin this evening with Dr. Caldwell's Syrup Pepsin. This gentle stimulant will soon right things! The bowels will move with better regularity and thoroughness. There won't be so many sick spells or colds. You'll find it just as wonderful for adults, too, in larger spoonfuls!

Get some Syrup Pepsin; protect your household from those bilious days, frequent headaches, and that sluggish state of half-health that means the bowels need stimulating. Keep this preparation in the home to use instead of harsh cathartics that cause chronic constipation if taken too often. You can always get Dr. Caldwell's Syrup Pepsin at any drug store; they have it all ready in big bottles.

The new Automobile liability law went into effect in Virginia on June 20.

It does not require you to carry automobile insurance, but it does provide if you have an accident for which you are liable, you cannot drive your car in Virginia until the claim is paid.

Our Automobile policies meet the requirements of the law and relieve you of this liability.

SORE THROAT!

Any little soreness in the throat grows rapidly worse if neglected. Crush some tablets of genuine Bayer Aspirin in some water, and gargle at once. This gives you instant relief, and reduces danger from infection. One real gargle and you can feel safe. If all soreness is not gone promptly, repeat. There's usually a rest with the sore throat, so before gargling take two tablets to throw off your cold, headache, stiffness or other cold symptoms. Bayer Aspirin relieves neuralgia, rheumatism, pain, too. You may use it freely, it does not hurt the heart.
